WEALTHBRIEFINGASIA EXTERNAL ASSET MANAGEMENT AWARD**

Leading wealth management industry participant, Taurus Wealth Advisors Pte Ltd., is part of an elite global group who have been handed the honour of winning a WealthBriefingAsia Award.

Taurus Wealth Advisors Pte Ltd. were awarded 'Best Family Office Proposition' at **the Inaugural WealthBriefingAsia External Asset Management Awards 2022.**

Showcasing 'best of breed' in the Asia region, the awards have been designed to recognise outstanding organisations grouped by specialism and geography which the prestigious panel of independent judges deemed to have 'demonstrated innovation and excellence during the last year'.

Each of these categories is highly contested and is subject to a rigorous process before the ultimate winner is selected by the judges. It is this process that makes WealthBriefingAsia awards so prized amongst winners.

The WealthBriefingAsia External Asset Management Awards are part of a global programme run by WealthBriefingAsia and its sister publications WealthBriefing and Family Wealth Report, encompassing all of the world's major wealth management centres.

Participants around the world recognise that winning awards is particularly important in these challenging times as it gives clients reassurance in the solidity and sustainability of the winner's business and operating model.

Commenting on the firm's triumph, Mandeep Nalwa, CEO, Asia and Middle East said:

"Being recognised by your Peers and Seniors in the financial services Industry Asia is truly an achievement. We are grateful to WealthBriefingAsia for creating this Award Series which validates the hardwork and integrity of our colleagues at Taurus and also those of other award winners. The awards serve to inculcate excellence in the services offered by Wealth Managers like Taurus in a bid to achieve recognition. This virtuous cycle will continue to benefit clients and partners of the Wealth Management Industry in the years ahead."

ClearView Financial Media's CEO, and Publisher of WealthBriefingAsia, Stephen Harris, was first to extend his congratulations to all the winners. He said: "The organisations and individuals who triumphed in these awards are all worthy winners, and I would like to extend my heartiest congratulations to the winners and to those who have put so much work into each winning submission.

“These awards were independently and expertly judged solely on the basis of entrants’ submissions and their response to a number of specific questions, which were answered by focusing on the client experience rather than purely quantitative performance metrics. That is a unique, and I believe, compelling feature. These awards recognise the very best operators in Asia wealth management, with ‘independence’, ‘integrity’ and ‘genuine insight’ the watchwords of the judging process - such that the awards truly reflect excellence in Asia wealth management.”
