BHAVNESH THAKKAR OF TAURUS WEALTH ADVISORS LIMITED JOINS GLOBAL ELITE WITH A WEALTHBRIEFING MENA AWARD FOR “BEST CEO”

Leading wealth management industry participant, Taurus Wealth Advisors Limited, has joined the ranks of an elite global group who have been handed the honour of winning a WealthBriefing Award.

Bhavnesk Thakkar of Taurus Wealth Advisors Limited was awarded the ‘Best CEO’ at the **Ninth Annual WealthBriefing MENA Awards 2022**.

Showcasing ‘best of breed’ in the MENA region, the awards have been designed to recognise outstanding organisations grouped by specialism and geography which the prestigious panel of independent judges deemed to have ‘demonstrated innovation and excellence during the last year’.

Each of these categories is highly contested and is subject to a rigorous process before the ultimate winner is selected by the judges. It is this process that makes WealthBriefing awards so prized amongst winners.

The WealthBriefing MENA Awards are part of a global programme run by WealthBriefing and its sister publications WealthBriefingAsia and Family Wealth Report, encompassing all of the world’s major wealth management centres.

Participants around the world recognise that winning awards is particularly important in these challenging times as it gives clients reassurance in the solidity and sustainability of the winner’s business and operating model.

Commenting on the firm’s triumph, Mandeep Nalwa, Founder of Taurus Wealth, said: *"When I first had the opportunity to meet with Bhavnesk, what stood out was his exceptional track record in managing successful businesses in the UAE. Soon enough it became evident that his leadership skills were not only honed on his business acumen, but also his exceptional ability to inspire strong loyalty and a shared sense of business responsibility amongst his team members; many of whom have been with him for the better part of a decade now. Bhavnesk is an exceptional asset of the Taurus Wealth group in driving and reinforcing our values and client centricity."*

ClearView Financial Media’s CEO, and Publisher of *WealthBriefing*, Stephen Harris, was first to extend his congratulations to all the winners. He said: “The organisations and individuals who triumphed in these awards are all worthy winners, and I would like to extend my heartiest congratulations to the winners and to those who have put so much work into each winning submission.

These awards were independently and expertly judged solely on the basis of entrants' submissions and their response to a number of specific questions, which were answered by focusing on the client experience rather than purely quantitative performance metrics. That is a unique, and I believe, compelling feature. These awards recognise the very best operators in MENA wealth management, with 'independence', 'integrity' and 'genuine insight' the watchwords of the judging process - such that the awards truly reflect excellence in MENA wealth management."
