Mandeep Nalwa, the Group CEO of leading wealth management industry participant, Taurus Wealth Advisors Pte Ltd has been awarded the “Outstanding Contribution to Wealth Management (Individual)” at the Wealth Briefing Asia Awards2024. Along with this Taurus has also been selected as a winner in the ‘Global Citizenship/Immigration Platform Offering’ category at The *WealthBriefingAsia* Awards 2024.

The annual *WealthBriefingAsia* Awards program recognizes the most innovative and exceptional firms, teams, and individuals. The awards have been designed to showcase outstanding organisations grouped by specialism and geography which the prestigious panel of independent judges deemed to have ‘demonstrated innovation and excellence during the last year.’

Commenting on his and the firm’s triumph, Mandeep Nalwa, Group CEO Taurus Wealth Advisors said, ***“Anyone who has won an award on this esteemed stage knows that they are a cog in a wheel. A wheel that allows them and their firm to do its best amongst its peers resulting in individual and firm recognition of such stature. When Taurus was a one-man shop there were no awards to be had. It takes a village to raise a kid and when the village joined in raising Taurus, the awards started streaming in. I am deeply grateful to each and every member of Team Taurus and many former colleagues who have worked with immense integrity and commitment over the years. Today I stand on their shoulders. I also want to thank my Rock of Gibraltar since the day I founded Taurus – my wife Mala Nalwa.***

***The recognition accorded to Taurus for the Global Citizenship/Immigration Platform is very special. This was conceptualised and launched by Binjal Makwana and Bhavnesh Thakkar, CEO Taurus EMEA making it an industry leading product worthy of this award. We are delighted at the recognition and will ensure we deliver our very best to our clients in this and every other service that Taurus strives to offer.”***

Each of the categories of WealthBriefingAsia Awards is highly contested and is subject to a rigorous process before the ultimate winner is selected by the judges. It is this process that makes WealthBriefing awards so prized amongst winners.
